

## Sea & Ride Rookie Fest announced

8-9.AUG.2024-Tsarevo, Bulgaria

"X Challenge Park" at the Black sea coast, provides an opportunity to practice most of the extreme sports, in the pleasant environment of a cool pine forest. The park has a professional pool for skateboarding, street skating course, a dirt track for mountain biking, legion track, as well as a rope garden with several attractions: a jump with a static rope "pendulum", a trolley, and a children's ropeway for the little ones.

In addition to perfect conditions for sports, the park also offers a wonderful environment for socializing outside, in nature, both as natural as possible and unobtrusively protected and secured. The infrastructure of the park follows the principle of minimum intervention in the surrounding pine forest. The sports facilities are fully adapted to the relief of the terrain and the existing vegetation and fit harmoniously into the park space.

For another year, the black Yeti will stop in Bulgaria on its way to the world finals in Prague, Czech Republic. The best 2 from the "Sea & Ride Rookie Fest" will receive all-inclusive tickets for the final. We are expecting a great competition at the wonderful X Challenge park, with high level of riding and positive vibes. For the participants and the audience there will be a lot of music, tricks, food, drinks, Red Bull and the unique atmosphere of the World Rookie Tour!
