ABOUT THE WORLD ROOKIE TOUR

The World Rookie Tour is a global youth circuit dedicated to snowboard, freeski, skateboard, BMX and surf. Founded in 2005, it is organized by Black Yeti in collaboration with international federations, national associations, premium event agencies and industry partners.

The Tour includes a calendar of over 100+ events across Europe, America, Asia and Oceania, reserved for riders under 18. It provides a structured pathway from grassroots competitions to professional sport, supported by the World Rookie Rank, an international ranking system that tracks athlete progression throughout the season.

Each year, the World Rookie Tour concludes with the World Rookie Finals, where the best young riders compete at an international level, contributing to the development of future Olympians and X Games athletes..

ABOUT Ästhetiker

The Ästhetiker started organising grassroots events in their early days. Old dogs might still remember the Ästhetiker Jams, Shred Downs, the infamous Wängl Tängls and the Ästhetiker Winter MÄsh. Those hÄppenings comprised snowboarding team competitions on highest world class level and the contests were famous for their creative and unique setups. Most events combined snowboarding with skateboarding contests, music gigs and off course, the langedary Ästhetiker parties.

In 2013, the Ästhetiker organised the very first Zillertal VÄLLEY RÄLLEY snowboard tour with four stages all across their home of choice: The Zillertal. Since the first year, the grassroots coaching and slopestyle contest tour has been continously growing. Today the VÄLLEY RÄLLEY attracts young riders from all over Europe to show off in the best snowparks of the valley. The Zillertal VÄLLEY RÄLLEY hosted by Blue Tomato & Ride Snowboards has been the admission ticket to professional snowboarding, World Cups and even the Olympics for many young riders.
